July Highlighted Class

Expressive Charcoal

Lynn Fleischman

1 Saturday, 10 am-4 pm
July 21st

Charcoal is the perfect medium to go big, go gestural, go experimental. We'll spend the first half of the workshop doing a variety of activities and exercises to loosen up and shake up our assumptions about what we can and cannot do. In the second half, you'll run with your own visual idea to create a large and unexpected exploration.

New Class Schedule Coming!

The Fall Class Schedule will be available on July 23rd!

If you are interested in viewing and registering for classes **one week early before the general public**, please [BECOME A MEMBER](#) of The Drawing Studio.
